

Rockhead's Comics & Games Store

2225 63rd Street

Kenosha, WI 53143

262-657-5655

Comic Subscription Service

- The subscription service is our 'pull & hold' system that reserves your comics based on a list you provide.
- All subscription customers receive 10% off all new and current comics.
- In addition, subscription customers receive 10% off on all comic supplies: individual boards & bags; pre-packaged boards; pre-packaged bags; comic boxes and frames.
- No minimum number of comics to order.
- New comics arrive on Wednesdays. There may be some exceptions during holiday weeks or due to other unforeseen circumstances.
- Comics should be picked up at least once per month – if you are unable to pick up your comics for an extended period of time, please let us know, and arrangements can be made. Items not picked up after 30 days of the titles release may result in interruption of your subscription service at the discretion of management.
- Any deletions, additions, changes to your list should be in writing and contain your full name and phone number. Changes may be dropped off at Rockhead's at any time.
- At times a title may be automatically added to your list based on title already on your list (some titles flow from one book to the next, or continue in another title or volume) You are not obligated to buy this added title – just hand it off to the person at the front counter.
- You will receive 1 copy of your title(s) unless you notify us in writing that you would like multiple copies of your titles.
- If you add a title to your list you will get every issue from that point on based on publishing schedules. If you want only a specific issue of a certain title simply state "This Issue Only" on your list.
